

# MusicMakers 2020 – Music Selections and Tech Requirements

This Form is due by **Friday, March 20<sup>th</sup>**

**SCHOOL NAME:** \_\_\_\_\_

Please fill out the table below with the names of the pieces you wish to perform at MusicMakers, as well as your technical requirements. Each group has a maximum of **5 minutes** to perform. So either one piece that's under 5 minutes, or two pieces of about 2.5 minutes. For an understanding of what we mean by tech requirements, please read the following.

## Tech Requirements (what we need to know):

**Drums and Keyboard** - We will have a drum kit and keyboard available. Please do not bring an extra drum kit or keyboard unless you have some very specific reason to use your own. If this *is* the case, please let us know.

**Bass and Electric Guitar** - We will have amplifiers for both bass and electric guitars and ask that you use the ones provided. Please let us know how many of each you will be bringing so that we can ensure we have enough amps for your group.

**Acoustic Guitar** – Please let us know if you will be wanting a mic for an acoustic guitar OR any other acoustic instrument (violin, etc).

**Soloists** - We need to know if you have any soloists who will require the use of a solo mic, and how many solo mics you will need. We will have a limited number of these mics (2 or 3), so please plan your music accordingly.

**CD or MP3 Tracks** – Please let us know if you plan on singing along to a CD or mp3. We will need to have that music well in advance of the event. Details on where to send this will be available soon.

Performing Group	Name of Piece (s)	Tech Requirements	Length of piece (s) (minutes:seconds)
